

Renaissance Adventures 2007 Scholarship & Discount Information

Thank you for your interest in Renaissance Adventures' programs. We realize that summer camp is a large expense for many families and we strive to make our programs available to all children. Not only do we offer a scholarship program for families who qualify, but we also have created discounted programs for families of any income level. In the paragraphs below you will find information on the Scholarship Fund, Opportunity Quest, Local Grants, and the Refer-a-Friend bonus. Please feel free to email (adventurecamps@earthlink.net) or call our office if you have any questions.

The Solstice Adventure Quest Scholarship Fund

The Solstice Adventure Quest Scholarship Fund (SAQSF) is a project of the Solstice Institute, a 501 (c) (3) non-profit organization. SAQSF creates opportunities for children to benefit from the enriching experience of attending Adventure Quest Summer Camps with Renaissance Adventures. The mission of Renaissance Adventures is to teach children the fundamental principles of cooperation and responsible empowerment through an inspiring journey of creative expression and experiential learning. The fund is designed to help families who otherwise would not be able to attend camp.

Scholarship Levels: Our intention is to provide a scholarship of 30% to all eligible applicants. If unable to provide a scholarship of 30% due to limited funds, Renaissance Adventures will strive to provide a 10% discount to all eligible families.

Eligibility: The following chart details eligibility for families applying for scholarships. To determine eligibility status, compute your gross monthly income using the following formula: hourly wage X number of hours per week = gross weekly income; then, multiply gross weekly income X 4.33 (average weeks in one month) = gross monthly income. Compare your household size to your gross monthly income to see if your family would qualify for scholarship. Interested families should fill out a scholarship application available online under the heading "scholarship and discounts".

HOUSEHOLD SIZE	ELIGIBILITY MONTHLY INCOME
2	\$1,003 - \$2,014.
3	\$1260 - \$2,532.
4	\$1519 - \$3,054.
5	\$1778 - \$3,574.
6	\$2036 - \$4,091.

Opportunity Quest

Designed for families that would like financial assistance for camp, Opportunity Quest is open to families at a discount of 30% off, whether they qualify for a scholarship or not. Opportunity Quest is a typical adventure quest that is led by an intern rather than our regular Quest Leaders. Our interns are 16 or 17 years old, and have invested many years as a Counselor-in-Training, apprenticing with our experienced adult Quest Leaders, and learning how to lead the adventure quest programs. They stay in sight and sound of an adult staff member at all times and attend pre-season training including first aid and CPR. To enroll, locate the Opportunity Quest column on the registration form and check the weeks that you would like to attend.

Local Grants

The City of Boulder may be able to help. Some of our older campers have participated in the City of Boulder's Youth Opportunities Program. Through this program, City of Boulder residents of Middle or High School age can apply for a grant of up to \$200. Accepted applicants volunteer their time to earn these funds that may be put towards recreational, educational or cultural activities. For more information on the Youth Opportunities Program contact Alice Swett at 303-441-4349 or drop in to their office at 2160 Spruce Street. You can also find more information at www.yoab.org. Other similar programs may be available, so please contact your local government to pursue these options.

Refer-a-Friend Program

Do you know someone who would love Renaissance Adventures' programs but have never attended before? If so, tell them about us! If you refer a friend to Renaissance Adventures and they attend one of our programs, we will give you a \$30 referral bonus that you can apply towards your tuition. Please note that they must have never attended a Renaissance Adventures camp in the past. They do not have to attend camp at the same time as you for you to receive the discount. If you refer a friend, please either call our office to inform us of your referral, or make note of the referral on your summer registration form. Thank you!

Renaissance Adventures Summer Payment Information

Registration Information Pre-registration is required for all events. To register, please fill out this payment form and send it with the contact information form, registration form, health form, and copy of immunization records. If paying by check, write on the check the full name of the participant that you are registering. Make checks payable to "Renaissance Adventures". Upon receiving all registration materials and payment, we will email you a confirmation letter and parent's guide containing further information about the camps such as directions, what to bring and special instructions for overnight and special interest camps.

Cancellation/Refund Policy If you cancel with two weeks or more notice before the registered event, all monies paid will be fully refunded. If you cancel a session with less than two weeks notice, we will strive to fill your child's spot with someone from our wait list, in which case we charge you only a \$25 cancellation fee. If we cannot fill your child's spot, then the cancellation fee is as follows: canceling with less than two weeks notice but more than four days (96 hours) forfeits 25% of the event fee or \$25, whichever is greater. Canceling with less than four days (96 hours) notice forfeits 50% of the event charges or \$25, whichever is greater. Canceling after the session begins forfeits 100% of the event charges.

Renaissance Adventures Merchandise

Merchandise: RA offers Game Books and World Books for sale. These items are optional and will be distributed on the first day that your child attends camp. The Game Book is a tool that our staff uses to run Adventure Quests. It explains the game rules that we use to run a quest and includes original artwork of the archetypes. The World Book gives a behind the scenes look into all the mythical lands and cultures where Adventure Quests take place.
