

Renaissance Adventures Summer Payment Information

Registration Information: Pre-registration is required for all events. To register, please fill out this payment form and send it with the contact information form, registration form, health form, and copy of immunization records. If paying by check, write on the check the full name of the participant that you are registering. Make checks out to "Renaissance Adventures". Upon receiving all registration materials and payment, we will email you a confirmation letter and parent's guide containing further information about the camps such as directions, what to bring, and special instructions for overnight and special interest camps.

Changing or Canceling Your Registration: Changing or canceling your registration can be done at anytime for a \$35 fee to help cover our administrative costs. Changing or canceling your registration up to eight weeks prior to the event grants a full refund, minus the \$35 fee. Changing or canceling your registration up to one week prior to the event grants a full credit for future programs for up to one year, minus the \$35 fee. Changing or canceling less than one week before the event, or after the event has begun, gives a 50% credit for any future days of the event (minus the \$35 fee), but no credit for past days or the present day of the event. If we are able to fill your child's spot with someone from our wait list, you will receive a full credit, minus the \$35 fee.

Scholarship Donations: Please consider a tax-deductible donation to the Solstice Adventure Quest Scholarship Fund. Your gift will give children the chance to learn, grow and play in a safe and magical environment. Donation checks should be made out to "The Solstice Institute" (a 501(c) 3 nonprofit organization). If you are interested in applying for a scholarship, please contact the RA office for an application or download forms off of our website.

Renaissance Adventures Merchandise

Merchandise: RA offers Game Books and Worldbooks for sale. These items are optional. The Game Book is a tool that our staff uses to run Adventure Quests. It lists the rules that we use to run a quest with lots of detail and artwork. The Worldbook gives a behind-the-scenes look into all the mythical lands and cultures where Adventure Quests take place.

- I will pick up the merchandise from the RA office.
- I want the merchandise mailed to me – add \$7 for shipping and handling (for most orders).
